

GROW Mental Health and Wellbeing Service Commencing Thursday Week 2 Term 2, 2021.

Dear Parents/Caregivers,

We are excited to welcome Rose Rawady to Alberton Primary School as our Mental Health Social Worker, operating through the Grow Wellbeing Program. Rose will be working from the Soda room every fortnight on a Thursday, commencing on the 6th of May.

We would like to share some information about Rose with you.

I am a parent and grandparent with more than 25 years as a Social Worker in the field of child and family mental health, delivering a range of services. I am committed to a holistic approach to wellbeing, quality of life and building resilience with my clients (AASW Code of Ethics (2020) and (AASW Practice Standards (2013).

As a Social Worker I focus on both the child's inner and outer worlds and how these may affect their lives. As children have a limited amount of control over their families and generally, the larger world around them, it is important as part of any therapeutic intervention to consider and involve parents, primary carers, teachers and anyone else who may be important in the child's life, to help problem solve and strengthen support systems.

If you would like further information please contact Christine Vlass on 8447 1924 or via email on Christine.v982@schools.sa.edu.au

Kind Regards

Dan Jarrad
Principal

Christine Vlass
Wellbeing Leader
