

Welcome

Welcome to Playgroup in The Nest at Alberton Primary School.

We are passionate about children and our wider community, and celebrate the learning, discovery and connections young children make with others and the world around them.

We provide a rich and engaging Playgroup which is facilitated in The Nest, our early years learning area, where playgroup families can access the indoor learning environment in Coral, along with the secure outdoor area.

Important Information

Playgroup begins in week one of the school term and runs until the last week of the term. Occasionally there are times when playgroup will not run as it coincides with school based activities, however we will update our social media pages, SkoolBag and email families who have provided their email details when this occurs.

Covid Safe

We thank families for their diligence in keeping our school Covid safe and we endeavor to continue to provide a fun and engaging Playgroup with Covid safe practices in place.

Amenities

Change table, children's toilets and tea/coffee facilities are available for use.

Please contact Kate McKenzie on 84471924 for further information.

We look forward to seeing you soon.

About Playgroup

Playgroup is a wonderful opportunity for preschool children, aged 0-5 years and their caregiver, to explore a range of activities together through play-based learning.

This will encourage children to build their social skills through having fun, learning how to share with others, strengthen and develop new skills through connecting with music, stories, dance and play.

Playgroup is ran on Friday mornings from 8:45-10:45am.

A gold coin donation is appreciated.
