

CHILDREN'S PARLIAMENT UPDATE

**Term 4
Week 3**

Governing Council Report
Presented By Ella and Jackson

PUBLIC RELATIONS MINISTRY

- Advertising for the movie and pizza night, including the flyers
- Designing the student initiated fundraiser flyer for the 'Joy Stall'. The group approached us and we were able to design it for them. They provided us with a success criteria.
- Designing new quotes for the sign board and coordinating changing this in our own time before school.
- Met with Mr Jarrad and discussed ideas on signage around the school.
- Guides for the special guests at the tree planting day. This built our confidence, public speaking skills and communication skills.
- Facebook posts about Colour Fun Run Day
- Checking the website and editing the website

DIVERSITY MINISTRY

- Put forward the idea about the colour run. Idea included colours representing diversity within our school. This was accepted and we are planning this for Friday the 9th of Dec. We have already raised \$3950. We wrote a section in the community letter about our purpose for this day.
- Checked all of the country flags in the gym. We have displayed these on the website as they were not on and they are important.
- Organising professional signage for the flags in the gym

ENVIRONMENTS MINISTRY

- Olive Oil Auction and fundraiser was a great success. Students are very proud of their efforts.
- Organised a 'Student Living Jute Presentation' on Monday the 31st for all students. Presented by Rashed from Living Jute about sustainable Hessian Bag production. In Life Science students will design a logo and the Environments will collect and organise a school vote. The logo will then be printed on a bag for families to purchase if desired.

EDUCATION MINISTRY

- Planning and running Outdoor Education Day for all classes on Tuesday the 1st of October. In class pairs we run an activity that connects students to the outdoor. Activities relate to The Arts, Maths, Science and Literacy.
- Continue to facilitate and support Life Science Monitors are break times.

ATSI NATIONS MINISTRY

- Reconciliation Action Plan will be the key focus for Term 4.
- Students will be finalising the RAP ensuring student voice is a key feature within the RAP in readiness for its next stage.

COMMUNITY AFFAIRS MINISTRY

- We received some great feedback about the movie and pizza night! We learnt lots about organisation through planning this night, we are really happy with how it went. Public speaking on the night in the gym.
- Designing Breakfast club posters to encourage more students to come. We also now coordinate breakfast club on Wednesdays with Christine who supports us.

SPORTS MINISTRY

- Term 4 Lunchtime Sports Tournament - Scoopball Survivor
- Helping and assisting with Sports Day preparation and setting up on the day
- Reviewing of classroom Sports Boxes (equipment use)
- End of Year Sports Shed stocktake and ordering
